

# IMPORTANT INFORMATION FOR COMPETITORS

Welcome to the Royal London Show 2018. Following a successful change of venue in 2017, and a lot of really good feedback, we have decided to remain at Keysoe. The addition of an extra half day this year has of course given us an extra evening performance, and we have been able to bring back the ever-popular Warm-Up Show.

## Qualification

All horses/ponies must be qualified to enter any of the Championship Classes. You DO NOT need to have qualified, or be registered, to enter the Late Qualifiers. Once a particular horse has been qualified, you may then enter any other appropriate Championship class without additional qualification. For example – if you have qualified your native pony in a ridden class, you may also enter the in hand section. Or – if you have qualified a skewbald shetland in a shetland class, you may also enter the M&M and the coloured sections if you wish. This will give you extra chances to go forward to the evening Championships. You only need one qualification card per horse.

## Entries and Registration

Registration with the I. S. S. is compulsory for exhibitors in Championship classes, and will be available on the day for those qualifying in the late qualifiers. Please note that this applies to all owners, riders and handlers – the owner will be deemed to be the person named in the horse's passport, and checks will be made. Entry fees will be at the ordinary rate for those qualifying on the day.

## Timetables

Class timings on the timetables have been carefully worked out. No class will start BEFORE the time stated. We ask you to be prompt for your classes – this helps us to help you by not running late. No entry fees will be refunded for missed classes. A great deal of time has been spent working out the scheduling and none of you should find your classes clash. In the unlikely event that you should be needed in two places at once, *please communicate with the stewards in both rings*; every effort will be made to help you if possible but classes will not be held up, as this affects everyone else's timings.

## Stabling

Stabling will be available on the showground from Thursday 20th September to Sunday 23rd. Please see the enclosed Stable Booking Form for prices. Please note that you should return your stable booking form directly to Keysoe, NOT to the Royal London Office. If you have any special requirements, you should make arrangements directly with Keysoe at the address shown on the booking form. Stabling will be allocated strictly on a first-come first-served basis, so we advise you to get your entries in early if you need stables. If you think you may qualify for the evening performance, or if you would like to stay and watch anyway, you are advised to book stabling at the time of entry. It may not be possible to accommodate late qualifiers at short notice, although every effort will be made to do so. Shavings will be available to purchase at the venue, straw is not allowed.

## Dogs

Dogs are permitted on the Showground, and are actively encouraged to enter the Lorry Dog classes, but should be kept on a lead at all times and cleaned up after.

## Numbers

Numbers should be collected on the day from the Secretary's desk in the indoor arena.

## Dress & Conduct

The International Showing Society believes in upholding traditional values and standards of dress and conduct. Anyone entering any ring should be appropriately dressed – including a HAT or CAP; **this includes stewards, and grooms in ridden classes**. All exhibitors and their connections should conduct themselves in a polite and courteous manner while on the showground. **No abuse**, whether verbal or physical, towards any other competitor, official, judge, steward, or animal **will be tolerated**. Anyone found guilty of this type of offence will be barred from the International Showing Society for a period to be determined, and asked to leave the showground. The decision of the Organisers shall be final in such a case and no entry fee will be refunded.

**Please respect the venue and the staff who have to keep it clean and tidy; dispose of any rubbish carefully in the skips provided, and do not skip out lorries in the parking areas.**

## Evening Performance

Competitors qualifying for the Evening Performances will be given a WHITE card in the ring which will indicate when and where the Pre-Judging will take place. This is to avoid any confusion. **Please note that you MUST attend your Pre-Judging if you wish to take part in the evening performance.** We would like to advise you that there will be music (sometimes quite loud), spotlights and flash photography in the Evening Performances, and that competitors should wear appropriate evening dress.

## Hats

Anyone wishing to wear a non-standard hat while mounted may do so **provided that they sign a disclaimer at the Secretary's desk**, and on the understanding that no liability will be accepted by the Royal London Show organisers in the event of any accident. You **may not** ride, for example in a Concours class, with no hat at all.

Children under 18 **must wear an appropriate British Standard hat at all times while mounted.**

Children aged 16 years and under **must wear an appropriate British Standard hat while showing in In Hand classes.**

## Championship Judging

Please be advised that all Championships will be pre-judged again this year. This will ensure that your judge has enough time to do a thorough job and get the right result. You will be given a RED card in the ring which you will need to present to the Evening Performance collecting ring stewards.

### **PLEASE NOTE NEW RULING:**

**IT IS ESSENTIAL THAT YOU ATTEND FOR YOUR PRE-JUDGING.**

We have spread these out through the afternoons to make this easier for you. It is acceptable to present your horse with a different handler or rider than the one who qualified it if necessary, as

at Royal London it is always the HORSE/PONY that is being judged. If you should still have a clash, you **MUST** make arrangements with the Stewards in the relevant rings to get your horse seen by the judges; if you fail to show up you will **NOT** be given your RED card, and you will **NOT** be allowed to take part in the Evening Performance. It is NOT FAIR to expect your judge, in the short time allowed in the Indoor Arena, to judge horses he/she has not seen earlier. You will not be told the results at this time; you will all go forward to the Evening Performance as usual, where you will go round for the benefit of the spectators and line up; results will then be announced and awards presented.

## Home Produced and Restricted Classes

These classes are designed to give a more level playing field for our grass-roots competitors, for whom this is possibly their first major Championship show. It is hoped that exhibitors will enter these classes in the spirit in which they are intended, guidelines are as follows:

- a) Horses/Ponies must not have been in a Professional Producer's/Trainer's yard since 1st January in the current year, except on a DIY basis or at stud.
- b) Riders/handlers must not have exhibited any ponies produced by a Professional Producer/Trainer at any show since 1st January in the current year.
- c) Horses/Ponies and riders/handlers must not have received any help from a Professional Producer/Trainer at any show since 1st January in the current year.
- d) Horses/Ponies must not be exhibited by a rider/handler who has exhibited for a Professional Producer/Trainer at any show since 1st January in the current year.
- e) The definition of a Professional Producer/Trainer is - A person who undertakes the preparation and /or production of ponies/horses belonging to other exhibitors for the show ring including at a show.
- f) Horses/ponies must not have qualified for or competed at HOYS, the RIHS or Olympia, including Search for a Star.

## Novice Classes

Not to have won a first prize at any affiliated show before January 1st in the current year. Please enter these classes in the spirit that is intended; those few who DO cheat almost always get found out and disqualified!
